Political Contribution and Activities

It is stipulated that one of SCBX Group and companies in the financial business core values is to hold itself, at all times, as a socially responsible corporate citizen. Any Corruption and Bribery or attempts thereto in SCBX Group's business dealings and transactions is wholly inconsistent with this core value and, therefore, wholly unacceptable and shall not be tolerated. This is clearly enunciated in the SCBX Group Code of Conduct prescribed for both directors and employees.

SCBX Group acknowledges the importance of creating meaningful partnerships with all organizations, local and international, to foster mutual business achievement and maximize benefits to all relevant stakeholders. These partnerships may include public and private sectors, trade associations, non-profit organizations, and institutions with various expertise. SCBX Group support these partnerships through membership fee contribution, participation in meetings and Board and committee memberships.
